

Parents, please read each poem to your child as they are writing the numbers.

zero

Make a circle and you're a hero  
That's the way you make a zero.

one

Just a line and then you're done  
That's the way you make a one.

two

Up around and back  
On the two two track.

three

Around a tree, around a tree  
That's the way you make a three.

four

Down across and down some more  
That's the way you make a four.

five

Fat old five goes down and around  
Put on a hat and see what you've found.

six

Go down into a loop  
Six rolls into a hoop.

seven

Across the sky and down from heaven  
That's the way you make a seven.

eight

Make an S and do not wait  
Go back up to make an eight

nine

Make a loop and then a line  
That's the way you make a nine.
